Reminder - January Meeting

The next meeting of the PPRAA will be held on Wednesday, January 11th at the Disabled American Veterans Hall located at 6880 Palmer Park Blvd. The meeting starts at 7:00 PM. Program will be "Home Brew."

VE Testing

Rick Brown - KDØSU

VE Testing is sponsored by the PPRAA on the 2nd Saturday of February, April, June, August, October, and December. Testing takes place at 9:00 AM at:

Denver Technical College (DTC)
225 South Union
Colorado Springs

While we prefer pre registration, walk-ins are accepted on a space available basis. Anyone wishing to take an examination should bring the following items:

1. \$5.90 (preferably a check or money order made out to ARRL/VEC) for any exam other than element 1A or 2.
2. Picture identification.
3. A copy of your current amateur license as well as the signed original. A copy of any examination credit you have as well as the original. We keep the copies.
4. Pen, pencils, and a calculator if you need one.

To pre register, or if you have any questions, please call me at 531-9423. Please do not call DTC, they only provide us the rooms for testing and they do not have any information concerning the test session.

NOVICE AND TECHNICIAN CLASSES

A Novice and Technician class for those persons wishing to obtain or upgrade an Amateur Radio License will be conducted at the Tesla Society, 2220 East Bijou Street in Colorado Springs. The classes are free to the general public; however, each class attendee should be prepared to purchase the ARRL "Now Your Talking" textbook which costs approximately \$19. In addition to the textbook, the Technician Class examination will cost \$5.75.

The Novice class will be held each Monday and Wednesday evening beginning at 6:00pm on Wednesday, January 11th; and ending on Wednesday, February 8th, 1995. The class will cover an introduction to International Morse Code and novice theory on amateur rules, regulations, and operating practices. The class will also cover basic electronic, antenna, and transmission theory required to pass the Novice Licensing Examination. Each individual who wishes to obtain their license should be prepared to attend each class for the five week period.

The Technician class will be held each Monday and Wednesday evening beginning on Monday, February 13th; and ending on Wednesday, March 1st, 1995. The class will cover technician theory on amateur rules, regulations, and operating practices; and electronic, antenna, and transmission theory required to pass the Technician Licensing Examination. Each individual who wishes to obtain their license should be prepared to attend each class for the three week period.

Those persons wishing to attend the courses should pre-register by contacting the Tesla Society at 475-0918 or Frank McNally at 596-8733 during the evening.

CCARC MEETING

PPRAA will host the next meeting of the Colorado Council of Radio Amateur Clubs at 1:00pm, Saturday, 25 March 1995. Location is to be in the Falcon Division Community Room, Falcon Substation, Colorado Springs Police Department, 7850 Goddard Street. Goddard Street is parallel to the north end of Academy Boulevard, within the loop of Kelly Johnson Boulevard, one block south of Interstate 25. Whit Brown, WB0CJX, Frequency Coordinator for Colorado, and Chairman, CCARC, will demonstrate the CCARC-owned Automatic Scanning and Recording Receiver. All amateurs are invited to attend, especially those operating a VHF-UHF repeater in Colorado. The PPRAA is a charter member of CCARC.

OM/YL LUNCH BUNCH

The OM/YL Lunch Bunch gathered 21 people for their Christmas get together and all had a really good time. A great way to end 1994.

To begin our 1995 luncheons we will meet at the Home Town Buffet at the Shops of the Bluffs at noon on January 19th. Please come and join us!

73s
Rosie Calaway, WA0MNL

ATTENTION ALL PPRAA MEMBERS

FROM THE PRESIDENT—

Do we have a quorum?

quorum (kwor' um) n. 1. The minimum number of officers and members of a committee or organization, usually a majority, who must be present for the valid transaction of business.

As an organization incorporated under the laws of Colorado, the PPRAA must conduct its business legally and properly. According to the current bylaws of the association, we can not legally conduct business without thirty (30) percent of the voting members present at the meeting. This has become a problem. Our membership has grown although the number of persons attending meetings has not. One reason for this phenomena is that many people want to support the Association and/or receive the Association's newsletter, but don't wish to attend meetings. We have reached a point where we will not be able to legally conduct meetings unless (1) more people attend meetings or (2) we change the bylaws.

The Board of Directors has voted to change the bylaws, subject to the approval of the membership, to reduce the number of persons required for a quorum at the regular monthly meeting. Based on meeting attendance over the last several months, the Board has recommended the quorum be set at fifteen (15) percent of the voting membership. And now, for the Catch-22: at January's meeting, there needs to be a quorum (based on the current bylaws) in order to vote the change.

All members of the Association are encouraged to attend the January meeting to ensure a quorum is present, thus allowing the Association to amend its current bylaws. Please check your calendars and, if possible, plan to attend January's meeting. In addition, please contact other members and encourage them to attend. Your Association needs your help! Without it, this problem could prevent the Association from conducting its business. I hope to see you there.

Steve, WB7VHR
President, PPRAA

SECOND ANNOUNCEMENT!!!

BYLAWS CHANGES:

The Board of Directors has recommended changes to the existing bylaws of the Association. The proposed new bylaws and a summary of the changes was distributed at the December meeting. The members will be asked to vote on the proposed changes at the January meeting. A summary of the key changes:

1. Article II, Section 1.a.: Residency in the Pikes Peak Region added to the eligibility requirement to be a full member.
2. Article II, Section 1.c.: Family members only entitled to vote if they hold an amateur license and meet residency requirement.
3. Article II, Section 3.: Clarifies that officers are elected at the annual meeting.
4. Article II, Section 5.: Reduces the percentage of attendees needed for a quorum to fifteen percent.
5. Article III, Section 6.: Adds "in person" as a method of communicating notice of meeting.
6. Article IV, Section 1.: States that officers must first be members of the Board and further states that officers continue as board members concurrent with their tenure as officer and that term as board member is unaffected by term as officer.

Note: This change is in accordance with both the current bylaws and the Articles of Incorporation filed with the State. This change is not intended make it more difficult to run for office or preclude nominations for an officer from the floor—it clarifies the point that officers are members of the Board (concurrent with their position as an officer) and provides the method for ensuring the members of the Board are elected first as required by the Articles of Incorporation.

7. Article X Section 3.: New section defines and requires Standing Orders to be kept by the Secretary of the Association.

—The Board of Directors.

SPECIAL BY-LAWS MEETING

December 12, 1994

Held at NØWPA's house.

In attendance were John-NØURR, Steve-WB7VHR, Les-KCØNC, Jody-KAØROZ, Kathie-NØYTQ, Mike-NØOCZ, Harry-NØSFP, Jeff-NØWPA, Jill-AAØTH, Ron-NKØP and Luci-NØOUD. Mike NØOCZ filled in for Warren-WØYNE.

The primary discussion was the by-laws. Need clarity of the number of board members. Also if past president slot should be filled if reelected. The quorum issue was discussed thoroughly in which in order to have a meeting we should reduce the quorum to 15% in order to conduct a meeting and vote on major issues. Membership was talked about regarding who is legal to vote on club matters, also if we should have proxy votes.

Submitted by Luci, NØOUD, PPRAA Secretary

PPRAA GENERAL MEETING

December 14, 1994

55 members, 13 visitors

Meeting called to order by Steve, WB7VHR, with introductions. Treasurer's report was read by Ron, NKØP. Minutes were approved. Committee reports.

V.E. Testing: Rick, KDØSU next testing 2nd Saturday in February.

CCARC: Oak, KØROL, will meet March 25th at the Northside police station on I-25.

January 7 Swapfest meeting 9:30AM.

January 8 6:30PM Skywarn dinner. Need to sign up with WB7VHR-Steve.

New Business: By-laws issues were presented by NØWPA-Jeff, while a copy was handed out to the members present. Voting on the by laws will be at the January meeting.

Meeting turned into a social Christmas Party, with plenty of goodies that was enjoyed by all.

Then Jeff, NØWPA hosted Jeopardy that was a lot of fun.

Board meeting will be at Kathie and Mike Martin's house.

Hammy Award was presented to KØTER for HAM of the year.

Hammy of the month went to Jill, AAØTH.

Door prizes presented by John, NØURR.

Ken, NØNKP, had a Christmas Story. (The Origin of a Christmas Angel).

The donations of equipment was made to KØTER and WØOOD and they will distribute monies to whom they see fit.

PPRAA BOARD OF DIRECTORS MEETING

December 19, 1994

Held at Kathie and Mike's house.

In attendance were Steve-WB7VHR, Ron-NKØP, John-NØURR, Ora-NØQJX, Harry-NØSFP, Jill-AAØTH, Jeff-NØWPA, Kathie-NØYTQ, Warren-WØYNE, and Luci-NØOUD.

Steve went around the room asking if anyone had any business.

Ron has some administrative expenses of \$37.50 that need to be paid. It was brought up that we donate money to the D.A.V. for the use of the building everytime we meet, and treat it as a public service expense. The Library exhibit that was held this past fall, cost \$150.00. Also this matter has to be paid. The trailer is in need of roof and ceiling repairs, before events become upon us. A matter of reimbursing ARES for mailing of the rosters. Discussion followed.

501c3 tax exempt was discussed to see if it would benefit the club. It was decided it should be brought up to the membership. Also having a CPA to audit the books yearly, who is not a club member.

By-laws discussed. There should be a period of time before a member could serve on the board. It was decided that a 90 day period be adequate.

There should also be a period of time after notification to a club member who does comply with proper radio and club policies before their membership is canceled.

A motion was made to have two categories for home-brew night. One being Kits (1st place and runner-up awarded) and true home-brew (1st place and runner-up awarded) with a cash value of \$15.00 for 1st place and \$5.00 for runner-up in both categories. All in favor.

Radio Exam Session

By Rick Brown - KDØSU

We had a great exam session in December. The following is a list of those earning new licenses or upgrades.

TECHNICIAN

Melyin Leader
Robert Stack
Joseph Simmerman
Relly Poshusta

TECHNICIAN/HF

William Larson
Robert Piersant

GENERAL

Ginger Hipszky NØUOD
Clifford Mikkelsen NØZVQ

ADVANCED

Ronald Reeves KBØMMX
Carmen Johnson KBØMMW
Tami Keith NØNLE
Rick Jackson KBØPNV

There were several other individuals earning element credit. We look forward to seeing them back in February to upgrade.

I would like to thank the following individuals for helping to give the exams.

Steve WB7VHR
Harvey WA3EIB
EJ KDØNB
George KBØKID
Ed WØVO
Joe KQØS
Mike NØXWN
Bill K4YCD

While I don't have the number of people who have taken tests with us during 1994, I can say it has been a very successful year. We have added many new hams to the club and local area. We expect 1995 will be producing many new hams as well. When you hear them on the air please welcome them and "Elmer" them into the ranks.

**HAPPY NEW YEAR
THINK UPGRADE IN 1995!!!**

ANYONE INTERESTED IN A NEW KIND OF ANTENNA??

The following excerpt was taken from a letter to the PPRAA from Gordon L. Schmehl, W7LVU, of Bellevue, Washington. Al Craig, N2IWZ, the letter in its entirety.

Gutterdownspout Antenna

...In view of the fact that our home is in a Townhome complex of 84 units, with our particular unit being the first of 5 at the head of the road into the complex, hence the restriction on external antennas, a different setup.

I have whips inside the garage but they are nowhere nearly as effective as the Gutterdownspout unit. I've connected the various physical joints with Pop-Rivets in insure continuity and the Coax is connected to the bottom of the downspout where it goes into the gutter drain. My ground system is the ground rod of the Phone and Cable TS system, to which I've connected a 38 foot wire and imbedded it in the crack between garage and drive way covered with asphalt and at the transmitter I use an MFJ-931 Artificial Ground, and with this setup on all bands 80 thru 10 meters am able to tune satisfactorily with the SWR meter setting at Zero Reflected power, adjusting for frequency difference on the bands themselves, and no problems of TVI to myself or neighbors. And it works better when raining....

The Amateur's Code

ONE

The Amateur is Considerate... He never knowingly uses the air in such a way as to lessen the pleasure of others.

TWO

The Amateur is Loyal... He offers his loyalty, encouragement, and support to his fellow radio amateurs, his local club, and to the American Radio Relay League, through which Amateur Radio is represented.

THREE

The Amateur is Progressive... He keeps his station abreast of science. It is well-built and efficient. His operating practices above reproach.

FOUR

The Amateur is Friendly... Slow and patient sending when requested, friendly advice and counsel to the beginner, kindly assistance, cooperation and consideration for the interests of other; these are marks of the amateur spirit.

FIVE

The Amateur is Balanced... Radio is his hobby. He never allows it to interfere with any of the duties he owes to his home, his job, his school, or his community.

SIX

The Amateur is Patriotic... His knowledge and his station are always ready for the service of his country and his community.
